As ordered

Dear Chief Judge Dearie:

Pursuant to your Administrative Order dated February 27, 2008 ("Administrative Order"), the government hereby certifies to the Court that the above-captioned case is properly related to United States v. Thomas Archer, 08-CR-288 (SJ).

The Administrative Order provides in relevant part:

[N]otwithstanding any provision of Rule 50.3 of the Rules for the Division of Business Among District Judges, the Clerk of the Court is directed to assign all criminal cases randomly, unless the United States Attorney certifies in writing at the time of filing that a case to be assigned satisfies one of the three conditions in Rule 50.3(c), or involves the same specific conduct that is a subject of a pending case. (Emphasis added)

This letter constitutes the certification contemplated by the Administrative Order. As set forth below, relation is appropriate in this case pursuant to the Administrative Order because the subject matter of Archer "involves the same specific conduct that is [the] subject" of the above-captioned criminal case. Specifically, the defendants in Archer are charged with

participating in the same conspiracy that the defendant in Singh is charged with. Relation is therefore appropriate.

Respectfully submitted,

BENTON J. CAMPBELL
United States Attorney
